Welcome to the CCA Eastern Region Herding event!

We are so excited to host the Eastern Regional in Massachusetts! This is the first time the regionals have been held in Massachusetts and we hope to make it a memorable event! Our committee believes it is important to preserve the working ability of our beloved breed and has been diligently working to make our regionals successful for the exhibitors and the Collie Club of America.

Special thanks to Joanne Williamson & Greg Paris, of Balgrae Dog Training Center, for allowing us to have our trial at their beautiful facility. As with all dog events, please be respectful of the facility and clean up after your dog. Don't let your dog urinate on the building, fences or doorways. Dogs may not disturb resting livestock or the performance of others in the arenas. Un-entered dogs are not allowed near the trial arenas.

As you know, this is a Collie only event, which means we have a limited number of people attending and volunteering. We couldn't do this without you and our volunteers. Please check in with us throughout the weekend to see if you can lend a hand. We will have a worker raffle each day to offer our appreciation for your help. Oma Pride freeze dried treats will be vending on Saturday only. Stop by and try a sample. Turkey hearts make a great reward for a job well done!

Jeremy Kezer Photography will be taking photos on Saturday morning and all-day Sunday. We are grateful that Jeremy is able to come to our event. Don't forget- Collies on Line Performance week is Oct 13th! Let's show them what herding dogs can do!!

Coffee and donuts will be provided to get you going in the morning! Water will be available throughout the day and we will be bringing in lunch from Panera. All volunteers can enjoy lunch on us! There will be donation bucket set out for anyone else that would also like to enjoy lunch.

There are multiple documents included with your confirmation including a schedule for each day, a site layout, trophy donations, volunteers etc. I will also post all info on my website www.pawprinttrials.com Click on the tab that says TRIALS and then scroll down to CCA Eastern Region Herding Trials. I will also post results under the same link.
