WE NEED YOUR HELP

The success of EVERY agility show, regardless of how big or small, rests with generous volunteers who staff the rings and ensure that the events run smoothly. To everyone who volunteers at agility trials, we say THANK YOU—the show cannot go on without you!

Keeping things running smoothly requires many volunteers. Whether you are a novice or a long-time agility enthusiast, volunteering is a terrific way to get to know your fellow competitors and get a ringside view of the action. Even if you’ve never volunteered before, we welcome and appreciate your help. $$cash$$ raffle for workers.

VOLUNTEER SCHEDULES WILL BE POSTED AT THE TRIAL. PLEASE SIGN UP FOR YOUR FAVORITE JOBS WHEN YOU ARRIVE.

SITE INFORMATION

This trial will be held indoors on Sports Agility Turf over double-thick rubber matting. Parking is free. No RV parking is permitted. Second floor crating will be available, but exhibitors are not permitted to stay inside with the dogs. No ex-pens please. EZ-Ups can be put up outside.

No practicing in the ring is allowed at any time. ALL DOGS MUST BE ON LEASH AT ALL TIMES EXCEPT WHEN IN THE RING OR IN THE DESIGNATED WARM-UP AREA.

The AK9C dog park will be open. This fenced area is open to the public. If there is a problem in the park that involves an exhibitor, the show committee will investigate and a hearing will be held if necessary. As a representative of the agility community, it is imperative that you are respectful and courteous to other users if you visit the park. You are responsible for the actions of your dog while in the park.

ACCOMMODATIONS - Make your Reservations Early!!!
Hotels that accept dogs are quickly becoming a rarity. Please behave responsibly! Clean up after your dog, bring sheets to cover the furniture, do not groom or bathe your dog inside, do not leave your dog(s) unattended in the room, and please be respectful of other guests who do not have to be up early. The trial committee will follow up on complaints received from motels. At the time this premium was created, the following hotels were accepting dogs. However, policies can change. Please verify that dogs are still being accepted when making reservations.

CLASS CHANGES EFFECTIVE JANUARY 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers with Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Entering for Exhibition Only (FEO)

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog’s performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Terms and Conditions:

- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
  - Toys must be non-audible
  - Toys may not leave the handler’s hand
  - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and/or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

(Note: This section only needs to be published in the Premium List if the Club is offering FEO.)
HEIGHT DIVISIONS

Owners/Agents are responsible for entering the proper height divisions. Judges reserve the right to measure any dog entered in the trial. All height divisions will be offered in both the standard classes and the jumpers with weaves classes.

INSTRUCTIONS  
Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.  
All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor’s responsibility to have their dog(s) measured prior to running.  
Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club’s option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.  
Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
